Calcium (Min – Max)	8.0 - 12.0	g/kg
Phosphorus (Min)	6.0	g/kg
Salt (Max)	5.0	g/kg

**CLASS:** Complete Broiler Starter Feed

**PRODUCT DESCRIPTION:**

A complete crumbled broiler starter feed developed to meet the nutrient requirements of broilers from day old to 18 days of age. This feed is suitable for producers who are cost conscious, are selling their birds live or the production facilities may limit the birds in being able to grow to their full genetic potential.

**INGREDIENTS:**

Grain products, processed grain by-products, plant protein products, animal protein products, oils & fats, vitamins, minerals & antioxidants, enzymes, processed sugar products, zootechnical additives. This feed may contain GMO raw materials.

**FEEDING INSTRUCTIONS:**

Feed 800 g *ad libitum* per bird from day old to 18 days of age.

There should be sufficient feeder space per bird. Feeders must always be kept clean, and water must be always available.

**WARNING:**

Broiler Starter feed may contain a coccidiostat and/or an antibiotic growth promoter. Please read the information printed on the label regarding any registered stock remedies that may have been included in the feed.

**PACKAGING**

Available in 50 kg bags.
