Calcium	5.5 - 12.0	g/kg	min - max
Phosphorus	4.0	g/kg	min
Salt	5.0	g/kg	max

CLASS: Complete Broiler Finisher Feed

#### PRODUCT DESCRIPTION:

A complete broiler finisher feed developed to meet the nutrient requirements of broilers from 32 days of age until slaughter. This feed is suitable for producers who are cost conscious, are selling their birds live or their housing and/or management do not allow for the birds to grow at their full genetic potential.

#### FEEDING INSTRUCTIONS:

Feed *ad libitum* from 32 days of age until slaughter. There should be sufficient feeder space per bird. Feeders must always be kept clean and water must be available at all times.

#### RECOMMENDED INTAKE:

1 600 g per bird from 32 days of age to slaughter.

#### WARNING:

Feed contains registered stock remedies. See attached medication labelling for further important information.
