CLASS: Complete Pig Finisher Feed

PRODUCT DESCRIPTION:

A complete pig finisher feed developed to meet the nutrient requirements of growing pigs from 17 weeks of age to slaughter. This feed is suitable for producers who are aiming to achieve good biological performance.

INGREDIENTS:

Grain products, processed grain by-products, plant protein products, animal protein products, oils & fats, vitamins, minerals & antioxidants, enzymes, processed sugar products, zootechnical additives. This feed may contain GMO raw materials.

FEEDING INSTRUCTIONS:

Feed *ad libitum* as part of a phased feeding programme from 17 weeks of age to slaughter. Average feed intake will be expected to be about 20kg / pig / week during this period.

There should be sufficient feeder space per pig. Feeders must always be kept clean, and water must be always available.

PACKAGING

Available in 50 kg bags or in bulk loads.
